- MLII.P1B  Write short organized compositions, using visual and technological support as appropriate
- MLII.P1D  Demonstrate Novice-Mid to Novice –High proficiency in oral and written presentations with respect to proper pronunciation, intonation and writing mechanics

Description of Task

While on a mission to Perú with your youth group, you are asked by one of your hosts, who teaches high school, to come and speak to some of her classes. She would like her students to know what a typical day is like for the average American high school student. She suggests you talk about the following:

- when you wake up;
- how you get ready for school;
- how and when you get to school;
- what courses you take;
- when and what meals you eat;
- activities after school;
- when you return home and what you do there;
- your nightly routine;
- when you normally go to bed.

Teacher Notes
This task can be adapted to power point if technology is available.
