SPII-1 Act 3

### What do we like to do?

Ask your classmates what activities they do before and after school. List the activities. Make a mark in the boxes for each person who participates in that activity. Don't worry if every activity line isn't filled, and you can add more if you have more activities.

Actividad	Número de participantes	Actividad	Número de participantes

Now make a bar graph showing the comparison of the number of participants in the different activities.
