

The following instructional plan is part of a GaDOE collection of Unit Frameworks, Performance Tasks, examples of Student Work, and Teacher Commentary. Many more GaDOE approved instructional plans are available by using the Search Standards feature located on [GeorgiaStandards.Org](http://GeorgiaStandards.Org).

SPII-2 Act 7

**Sample #1** Listen to the following conversation between a patient and a nurse. Afterwards, tell the emergency room doctor what the patient's symptoms are.

|                   |  |
|-------------------|--|
| <b>enfermera:</b> | Buenas noches. ¿Cuál es su emergencia?               |
| <b>paciente:</b>  | No me siento bien.                                   |
| <b>enfermera:</b> | ¿Qué le pasa? ¿Cómo se siente?                       |
| <b>paciente:</b>  | Tengo un terrible dolor de cabeza.                   |
| <b>enfermera:</b> | Hmm...¿Algo más? ¿Le duele la garganta?              |
| <b>paciente:</b>  | Sí, un poco. También tengo tos.                      |
| <b>nurse:</b>     | Voy a tomarle la temperatura. Tiene una fiebre baja. |

|                 |   |
|-----------------|---|
| <b>nurse:</b>   | Hello. Why have you come to the emergency room?       |
| <b>patient:</b> | I don't feel well.                                    |
| <b>nurse:</b>   | What's wrong? Can you tell me how you feel?           |
| <b>patient:</b> | Well, I have a terrible headache.                     |
| <b>nurse:</b>   | Hmm...Anything else? Does your throat hurt?           |
| <b>patient:</b> | Yes, it hurts a little. I have a cough too.           |
| <b>nurse:</b>   | Let's take your temperature.....You have a low fever. |

**Sample #2** Look at the pictures below. Choose 2 patients to describe to the emergency room doctor. Describe the symptoms and how much pain each person feels.

For example: Picture #6. The girl has a sore throat. She's in severe pain.

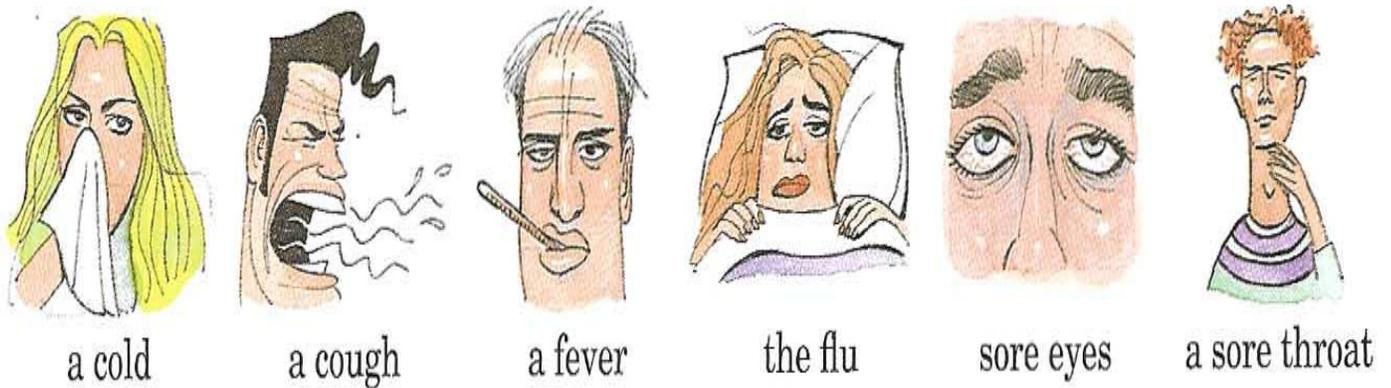

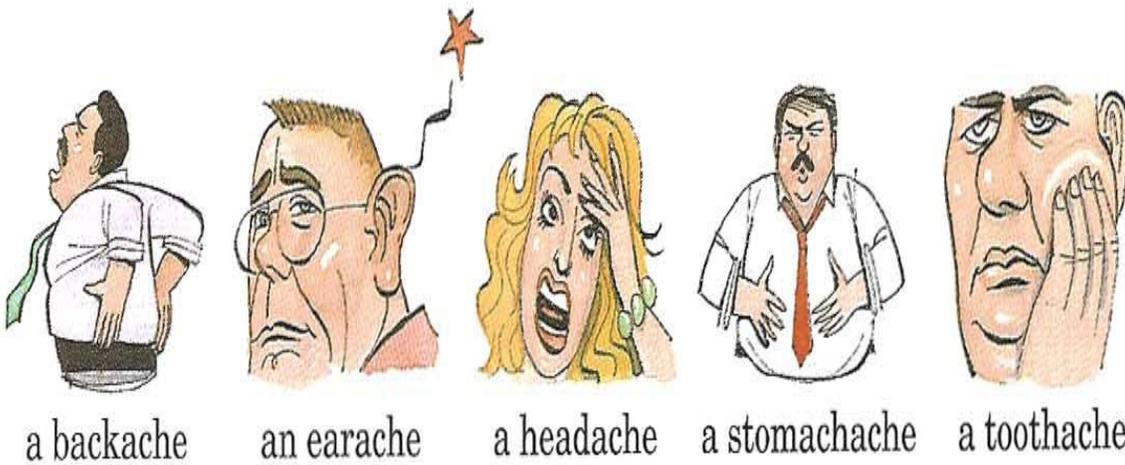

Shapiro, N. and Adelson-Goldstein, J. (1998). *The Oxford Picture Dictionary*. New York: Oxford University Press, p. 78.

**Sample #3** Look at the drawing and describe the patient's symptoms to the emergency room doctor.

**Sample #4** Use the following pictures to describe a patient's symptoms to the emergency room doctor.

Richards, J. (2000) *New Interchange: Intro*. Cambridge: Cambridge University Press, p.73.

**Sample #5** Read the following description of a patient who came into the emergency room. Then, tell the emergency room doctor what the patient's symptoms are.

Hoy estoy muy enfermo. Pienso que estoy resfriado. Tengo dolor de cabeza y dolor de garganta. Tengo dolor de oído y toso. Me siento horrible. No puedo ir a trabajar.

Today I feel very sick. I think I have a cold. I have a headache and a sore throat. I have an earache and I'm coughing. I feel terrible. I can't go to work.
