You and a group of friends have planned a camping trip and you are in charge of the cooking and the food. The problem is that you do not know much about cooking, let alone cooking outside at a campfire. You come across the article at the link above. Read the article and answer the questions.

1. According to the article, many people make this mistake about cooking outside. What is it?

2. What are some of the basic cooking utensils needed on a camping trip?

- | | |
|----|----|
| a. | d. |
| b. | e. |
| c. | f. |

3. What do the following words mean? *Guess based on how they are used in the sentence.*

- a. platos desechables
- b. degradables
- c. platos esmaltados

4. What items can one put in "pequeños tarros de plástico"?

- | | |
|----|----|
| a. | c. |
| b. | d. |

- 4 a. What do you think a "tarro de plástico" is?
5. For what reason does the article suggest that one pack "bolsas de plástico con cierre hermético"?
6. What should one do at home with meals that need mixing? What should be done with the ingredients?
7. What should one do once he/she has arrived at the campsite with the remaining ingredients?
8. What food items are easy to cook outside at the campfire?
 - a.
 - b.
 - c.
 - d.
9. What food items keep well on camping trips?
10. What do you think "pan chato" means?
11. What food items are listed in the last paragraph that can compliment your meals?
12. What foods keep well outside of refrigeration?

Now that you have read this informative article, you decide to write a list of items that you will need for a successful camping experience. Don't forget the cooking utensils or the food. Also, your camping trip is for three days so, you will need to plan three simple meals per day.

My camping list

To prepare the meals

Drinks

For dinner

To store the food

For breakfast

For lunch
