STUDENTS ENTERING NINTH GRADE IN 2008 AND SUBSEQUENT YEARS**

NSBA Code: IDA (3)

School Year 2010-2011

Georgia Department of Education

The Georgia Department of Education continues to collaborate with the Board of Regents (BOR) University System of Georgia and the Technical College System of Georgia (TCSG) to provide increased opportunities for Dual Enrollment.

The purpose of this document is to provide school systems with the most current listing of aligned dual enrollment course numbers to the list of 9-12 state-funded courses. The list of dual enrollment course numbers will be updated on an ongoing basis and posted to the website.

See below for an explanation of dual enrollment credit and the course numbering system.

XX.XXXX4XX = DUAL ENROLLMENT CREDIT

A **4** as the fifth numerical digit to the right of the decimal indicates that the students receive credit for the course while taking it for dual enrollment credit at a postsecondary public or private institution. Students participating in dual enrollment must adhere to the requirements found in State Board of Education Rule 160-4-2-.34 DUAL ENROLLMENT. Funding for dual enrollment course participation is provided through FTE, the Accel program, or the Hope Grant program. Refer to the Georgia Department of Education's *Dual Enrollment Guidance* document and the Georgia Student Finance Commission web site for additional information on funding and eligibility.

The following course list includes a column (to the far right) indicating college course numbers approved as a dual enrollment match. NOTE: Not all colleges offer the courses listed. Each college determines availability of courses and acceptance of credit. Numbers and courses vary by college.

For the most current listing of these dual enrollment opportunities, see the following websites:
