

**Draw a building**

**Draw a house**

**Draw the front of a house that has  
at least 9 windows and 1 door**

**Draw the front of a brick house that:**

- **Is two stories high**
- **Has five windows across the top story**
- **Has four windows and a door on the bottom story with two windows on each side of the door**
- **Has sidewalks**
- **Has a yard**

**Use your imagination and draw a detailed picture, approximately 4" by 6", of the front of a brick family home that:**

- Is an attractive and welcoming two story, colonial**
- Has five windows across the top story complete with curtains**
- Has four windows and a door on the bottom story, with two windows (with curtains) on each side of the door, which has a wreath decoration**
- Has sidewalks with toys and other evidence of who lives inside**
- Has a yard with lush trees, bushes, and attractive flowers**
- Shows evidence of the family who lives in the house: a mother, a father, a son, and a daughter**
- Shows evidence of the family pets: a dog and a cat**

**Draw the front of a brick house that:**

- **is two stories high**
- **has five windows across the top story**
- **has four windows and a door on the bottom story, with two windows on each side of the door**
