

Access to the GPS for Students with Significant Cognitive Disabilities
Electronic Resource Board

To register and receive your password for the
Access to the GPS Resource Board for Students with Significant Cognitive Disabilities
send an e-mail with your **first/last name** and your **preferred e-mail address**
to **one** of the following persons:

Kayse Harshaw (sharshaw@doe.k12.ga.us)

Toni Bowen (twaylor@doe.k12.ga.us)

Due to the high volume of requests for passwords it may take up to a week to receive access.

*This password will only give access to the
Access to the GPS Resource Board for Students with Significant Cognitive Disabilities
And not to other sites on the GaDOE or GeorgiaStandards.Org websites that require passwords.*

The Access to the GPS Resource Board contains:

- **Free** downloadable activities and materials for use with students with significant cognitive disabilities across grade levels and curricular areas
- Resources (internet, literature, etc.) to provide access to the general education curriculum
- Student and classroom success stories
- Adapted stories for all grade levels and directions on acquiring adapted literature
- Instructional strategies and best practice guidelines
- Data Sheets
- Question & answer section for teachers to post questions and receive responses
- Georgia Alternate Assessment (GAA) suggestions/tips
- Georgia Project for Assistive Technology (GPAT) information
