

The Lexile Framework for Reading in Action

Science: Chemistry

Standard SC7: Students will characterize the properties that describe solutions and the nature of acids and bases.

Galileo Resources

Lexile Measure	Resource Title
1050L	Cluster Solutions
1060L	Thermal Gradients Can Boost the Concentration of DNA in Solution
1110L	Acids and Bases
1260L	Shy Chemicals Offer a Solution
1280L	Ion Penetration of the Water-Oil Interface
1300L	A Balancing Act for Chemical Purity
