

The Lexile Framework for Reading in Action

Science: Earth Systems

Standard SES3: Students will explore the actions of water, wind, ice, and gravity that create landforms and systems of landforms (landscapes).

Galileo Resources

Lexile Measure	Resource Title
840L	Avalanche
1060L	One Big, Bad Iceberg
1130L	A Glacier Was Here
1200L	Cosmic Rays Tell History of the Land
1280L	Patterns From Nowhere
1300L	Shifting Sands
