## Orchestra Introduction

The Georgia Performance Standards for orchestra are designed to be used in heterogeneous string classes in grades four through twelve. The standards are based on the MENC National Standards for Music Education and are designed to provide a sequential and developmental framework for students from beginning through the mastery level. They are arranged in four major categories: Skills and Techniques/Performance, Creation, Critical Analysis/Investigate and Cultural and Historical Context. The standards are organized into the following levels:

- 4<sup>th</sup> and 5<sup>th</sup> Grade: Beginning
- 6<sup>th</sup> – 8<sup>th</sup> Grade: Beginning, Intermediate, and Advanced
- 9<sup>th</sup> – 12<sup>th</sup> Grade: Beginning, Intermediate, Advanced, and Mastery

The majority of string orchestra programs in Georgia begin in middle school (6<sup>th</sup> grade). The content of the standards is designed so that each grade level (6 – 12) can be successfully taught within the confines of the school year. The fourth and fifth grade standards are designed to be covered over the course of two years.
